Roofing Products

**HYDRAULIC CONTROLS  
FORWARD/REVERSE  
WITH VARIABLE SPEED**

**HYDRAULIC RESERVOIR**

6 gallon hydraulic reservoir to insure better cooling during operation and to provide more extended life for the parts and machine.

**OPEN HOOD FOR  
EASY MAINTENANCE  
& REPAIR**

**BLADE OPTIONS**

All blades for the Hurricane are made from high quality hardened steel. The 20" blade comes standard and the 30" blade and 20" serrated blade are optional.

**BLADE ACTUATOR**

As opposed to v-belt and pulley drive systems, the Hurricane has a hydraulic powered chain and sprocket drive system, better designed to remove even the toughest of fully mopped to mechanically fastened roofs.

**HONDA ENGINE**

The 13 H.P. Honda gas engine comes standard with electric start and pull start. The Honda engine also comes standard with the oil alert warning system to protect the engine from low oil problems.
